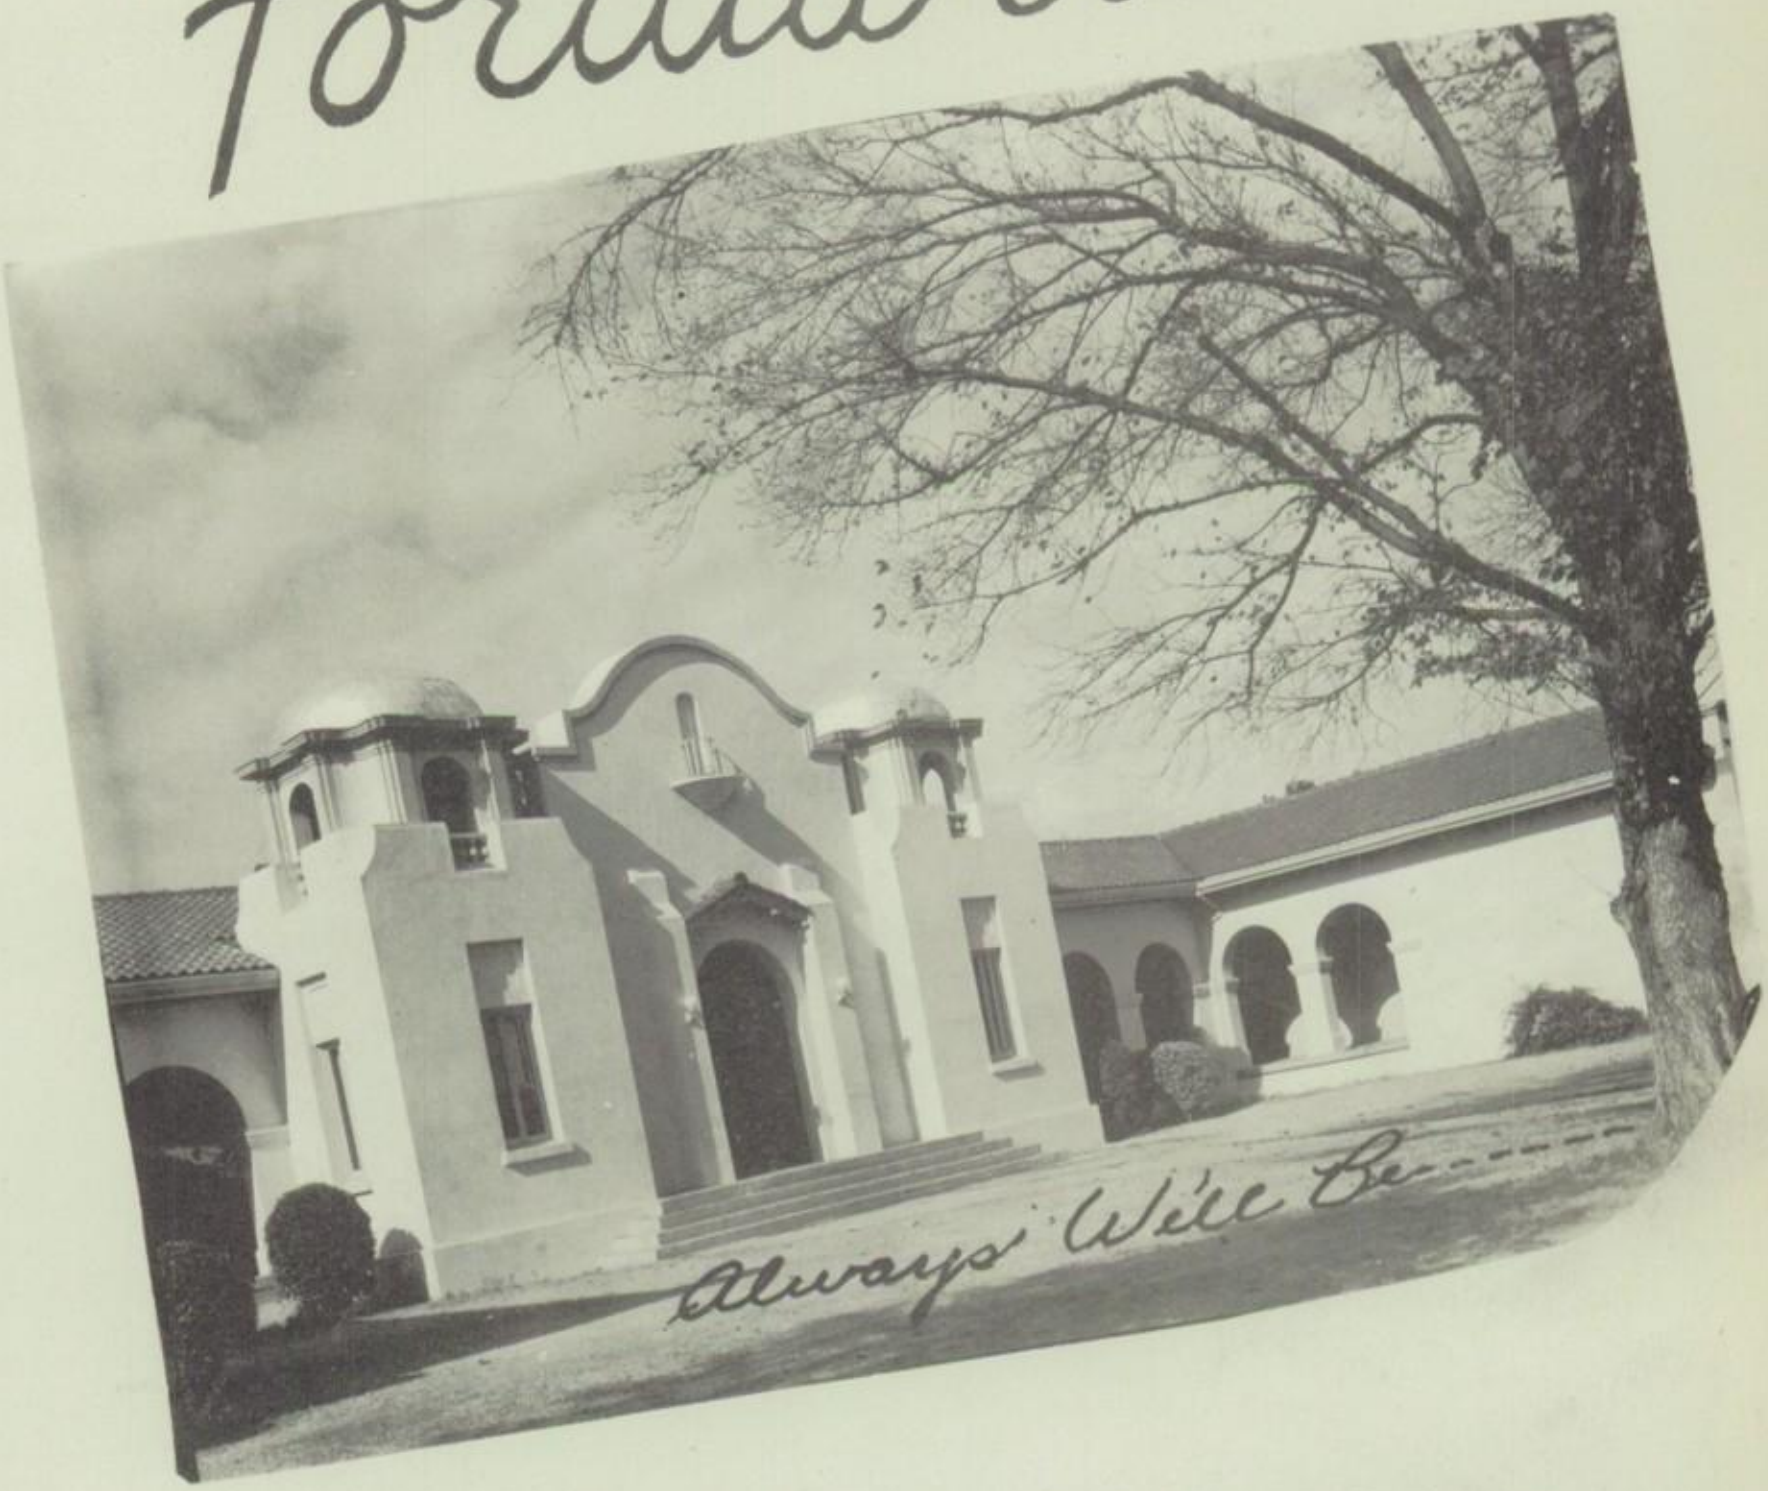
Forward



Here it is--The 1950 volume of the La Puerta. It is your memory book. When time had made the vivid scenes of school days grow dim, and years have almost erased from your mind those happy, eventful times, you may take this volume from the shelf and recall, as you turn the pages, those school days spent at Caruthers High School.

We wish to express our most sincere thanks to Mr. Cook and the annual staff for their kind assistance in producing this "1950" La Puerta.

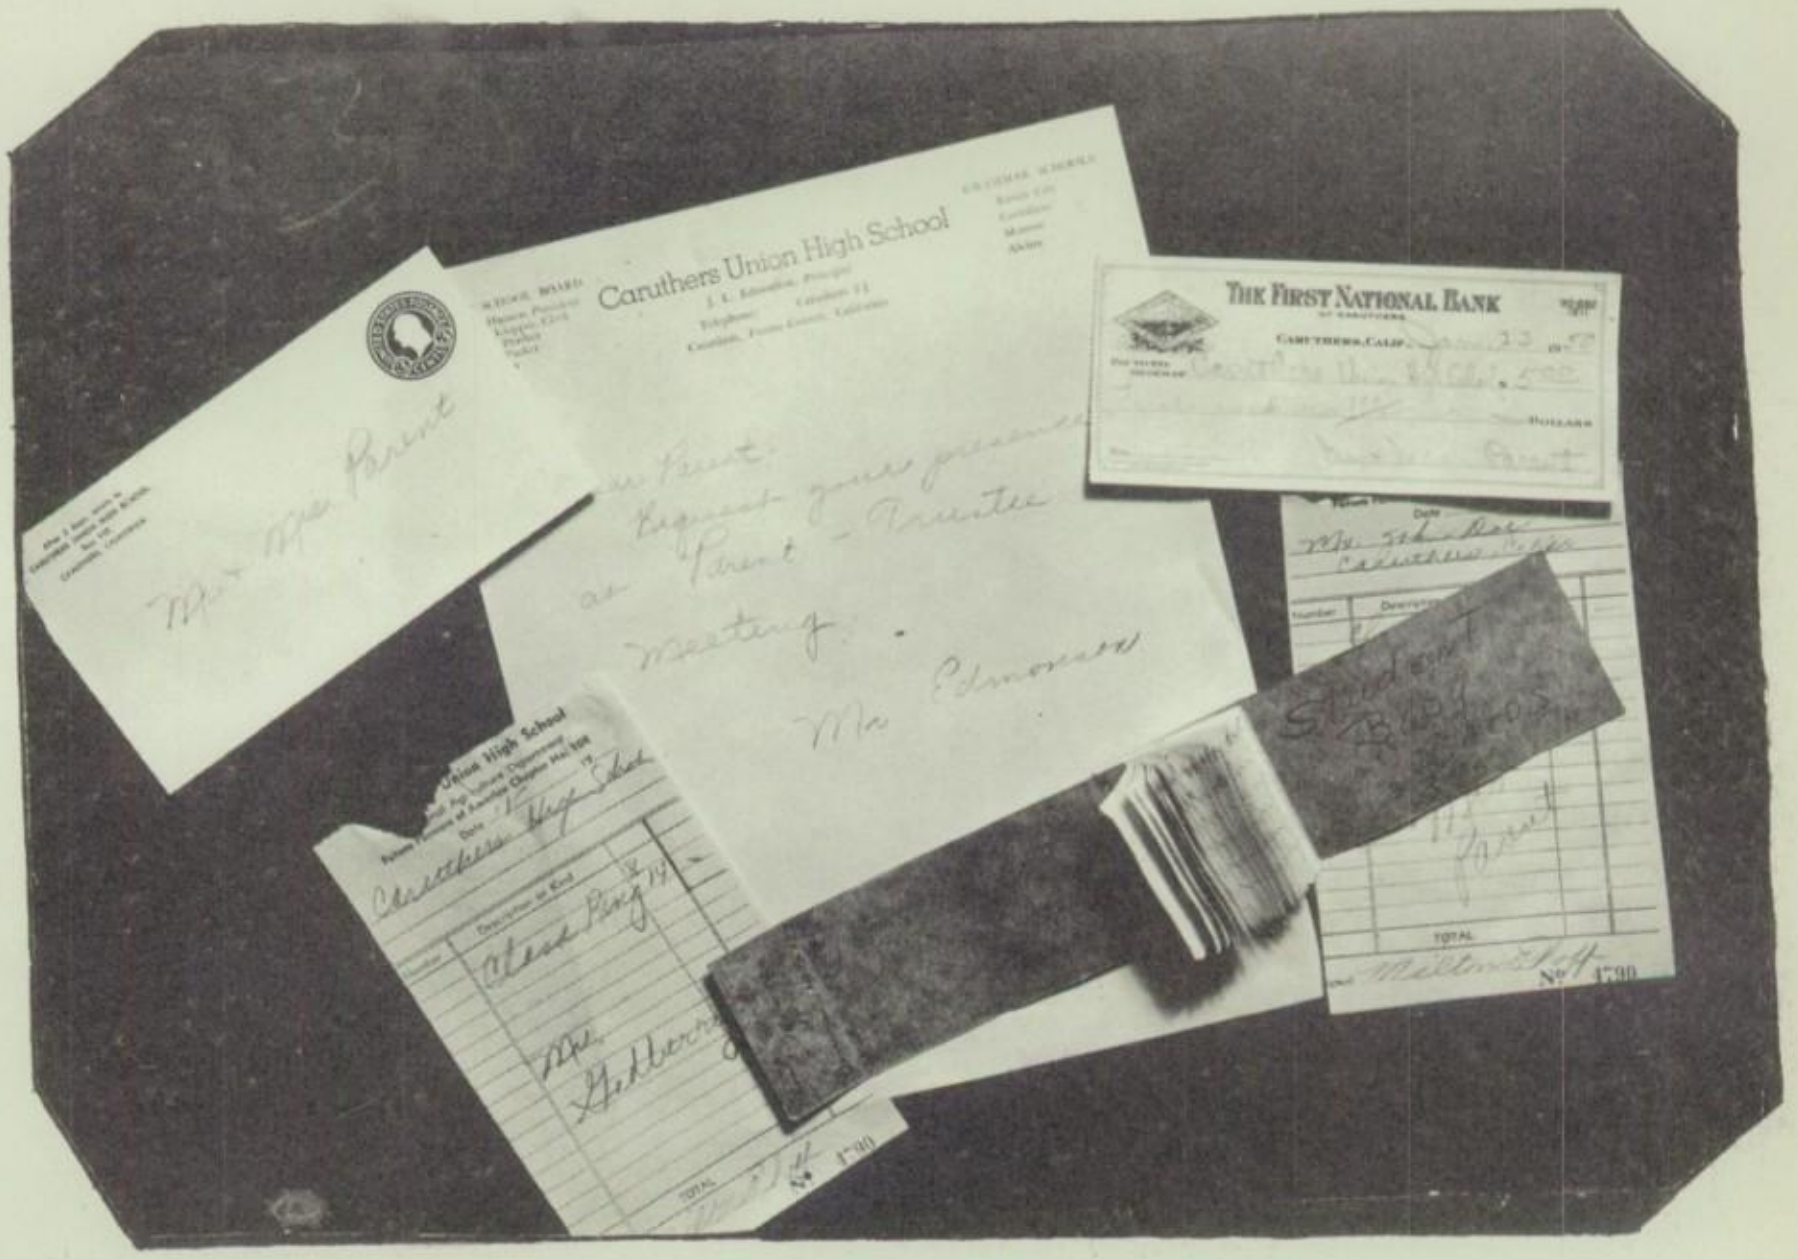
Hail To The Ones We Love - - - - - - - - -



To those who have led us through the stormy days into the bright sunny paths, year after year, we, the students of Caruthers High School, dedicate this "1950" La Puerta to our beloved parents. For without their never tiring support and esteem of providing us with the proper clothes food and the necessary supplies, the long awaited goal of graduation could not have been accomplished.

So, with hearts full of appreciation and love we devote this annual- to you, our beloved PARENTS.

Our Trustees

In Autumn, Spring and Winter there has to be someone to push the rake, to clear the leaves, shovel the snow and to pick the pretty blossoms of Spring.

Here at the Caruthers High School we have, standing behind the students and faculty, a group of men so capable of handling such a big job as guiding the small, but yet large groups of people down the right paths. Without these few men things would fall and die as the leaves and the snow and flowers would.

So as we continue through season after season, let us not forget these dependant and never tiring hands that support our wonderful high school.

Class Of 1951

Having completed three of its four years of schooling at Caruthers, the Junior class is feeling quite successful.

On October 8, 1949, their class rings arrived, and with them came the assurance that these underclassmen, at last, were upperclassmen.

At the beginning of the year, they elected class officers as follows: president, Lila Love; vice president, Vernin Petrey; secretary, Mary From; treasurer, Margaret Reed; Rally committee, Loretta Reed and Ernest Moser; Social committee, Ross Dille and Vernize DeWitt; yell leaders, Barbara Rudolph and Marvin Jackson and representative to Student Council, Virginia Byrd.

When they first started here as freshmen, they were rather afraid to stand on their own feet. As sophomores, they showed more of a tendency to "try their wings" and then, as juniors, they really stepped forward, showing they had a good deal of ability by having a concessions booth at the fair, sponsoring a Dedication Queen Contest for the new gymnasium and finally, by putting on the farewell dance for the seniors, the Junior-Senior Prom on May 26.

Now they leave this year behind hoping to have as much fun and happiness during their senior year as they had as juniors.

Since September, 1948, the class of "1952" has been struggling along improving and proving year after year their ability to ride the rough roads right along with the upper classmen. At the beginning of the year the following class officers were elected: President, Charles Farmer, Vice President, Harry Buchaklian, Secretary, Mildred Dostinich; Treasurer, Avery Harris; Social Committee; Raymond Simons and Nell Harris: Yell Leaders, Judy Helm and Wilbur Daniels; Student Council Representative, Donald Sorensen.

Under the advising hands of Miss Loveridge, Mr. Rowley and Mr. Ritchey the eager class sponsored a movie for the whole student body. Also, under the influence of these teachers, they have completed the past two years successfully and are ready to challenge the next two; to prove that they are really tough and powerful sophomores instead of the so often called "Soft Sophs."

Committees- Front: M. Pouncey, R. Orum.
Back: B. Sherman, D. Shamp, P. Landon.

On September 19, 1949, through the doors trooped a large number of over one hundred freshmen.

They received the traditional initiation of lipstick from the sophomores They put it on thick too; perhaps seeking revenge for what they received the year before.

They elected the following class officers at the beginning of the year 1949-1950: President, Norman Jones; vice president, Billy Hall; Secretary, Norma Overstreet; treasurer, Margie Dostinich; social committe, Mary Leigh Pouncey and Bobby Sherman; rally committee; Ruby-Orum and Percy Landon; yell leaders, Jo Ann Workman and Dena Mae Cline and the representative to student council was Dwight Shamp.

They soon proved themselves very enterprising by sponsoring a turkey raffle to raise money for their annual fund, under the able direction of their advisors, Mr. Mataisz, Miss Weber and Miss Alexander.

The class of 1953 is looking forward to three more happy years at Caruthers Union High School.

The girls in action

The yell leaders for the year started off with a bang under the guidance of Glenda Griffin as head yell leader, and Delia Hall and Nancy Turnmire acting as her assistants.

Under the peppy influence of these girls, the student body was able to encourage the boys who so courageously fought to win all the games for the school they loved. This enabled them to accept defeat or victory bravely, because they knew that we, the students, were backing them up.

The Student Council, throughout these seasons, has worked to carry out the constitution of the school and to settle problems which have come up during the year.

Since Johnny Baker, the studentbody president chosen by the students at the end of the school year 1948-1949, was unable to fill his position, the student council nominated and elected Ronald Moomjian to take his place.

Ronald has proven himself quite capable of this office, and has done his duties well.

High

The band this year has been very active, under the capable leadership of Mr. Ritchey. The first activity of the Autumn was playing in the Caruthers District fair parade. At this parade we, as last year, were host to the Washington Union High School Band, and also the Riverdale High Band.

Majorettes for the year were Evelyn Garcia, Lee Ola Reddell, and Joyce Nielsen. Drum Major was Norman Jones.

A very successful band show was given in April, along with The Open House.

Yell Leaders

The Senior Class of 1950 came bursting through the doors of Caruthers Union High School, with the humming of Alma Mater on their lips, the smell of Autumn leaves in their hair and the proud and happy vision of graduation in their minds.

Class election started things rolling with Jerry Lane chosen as president. Milton Ehoff followed as vice president, and Betty Peterson and Robbie Lemley took the lead as class treasurer and secretary.

After having had four long but yet, short years of trodding through the wind, snow and enjoying the sunny days, they turn the pages of the huge life calendar to recall, with an envious feeling in their hearts those happy four years.

This is it, they realize, this is the final test---testing them to society of the world. With a sigh of relief, covering up a lump in each and every throat, they turn up their collars against the wind, and ascend to the sky like a bird---yes---like a bird intoxicated by the fragrence of spring. They too are intoxicated by the hope and anxiety of the future.
